Mental Illness: Effects on the Family

**For caregivers of individuals
with a mental illness**

The Oasis in Kanata

**Glen Cairn United Church
140 Abbeyhill Drive, Kanata**

Monday, September 15, 2014, 7 to 9 pm

Dr. Ian Manion, the Executive Director for the Ontario Centre of Excellence for Child and Youth Mental Health, will talk about the vital role the family plays in the care and recovery of an individual with mental illness.

This Information Session is free and does not require preregistration. Refreshments will be served at the end of the evening.
